Betty, the attached letter is the one I called you about this morning. It is my understanding from the Senator that Mr. Casey indicated this should go to Mr. Lauder.

Thanks for your help.

The Honorable Chic Hecht
 United States Senator
 302 Senate Hart Building
 Washington, D.C. 20510

Dear Senator Hecht:

On behalf of the officers and membership of the Citizens for Responsible Government (CRG), we are requesting your assistance in identifying a keynote speaker for our annual meeting which is scheduled for August 21, 1986. The Committee has chosen the topic of "International Terrorism" as the major subject area for discussion for this year's dinner. Your assistance in this matter would be deeply appreciated.

As you are aware, CRG is a nonpartisan action committee of long standing in the Las Vegas community whose purpose is synonymous with its name. Over the years our annual dinner has provided its membership the opportunity to hear from a number of prominent Americans on topics of national/international interest.

Each year this dinner draws 400-500 opinion leaders from throughout the State of Nevada. The guest speaker would be expected to provide a 20-25 minute presentation, with a question and answer time of an additional 5-10 minutes. Since CRG is a nonpartisan organization, a general informational approach, with its specific impact on the United States, would be very appropriate.

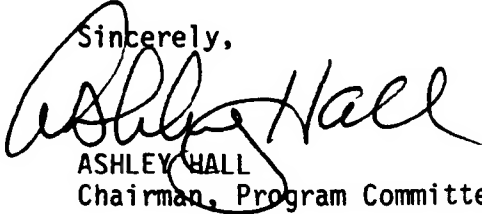

Senator, we realize the timing of our annual dinner will allow you minimum time to pinpoint the appropriate individual for this occasion, but we also recognize you and your field of expertise in the area of international terrorism and expect the very best from you. Over the years, CRG has been deeply supportive of those U.S. policies which reflect the best in America and our sole purpose is to support responsible government at all levels.

Once again, thank you for the assistance, it means a great deal to us to have such a "responsible" member of our community representing us in the United States Senate and being so supportive to the President and his programs. If you have additional questions or require further clarification, please feel free to call me (702-386-6050).

Sincerely,
